

It is with great sadness that I have to advise you that Jock Mackie, former Chieftain of Hong Kong St. Andrew's Society has passed away at the age of 87 years. Jock was Chieftain in 1972/73 and retained an active interest in the Society by regularly attending the General Committee meetings, to offer his advice and support until very recently. He was usually first to arrive at the Committee meeting, and was so much part of our Society that he will be greatly missed. The Annual HK St. Andrew's Society Golf Tournament is contested at Shek O, and known as Jock's Pot, in honour of Jock, the first Hong Kong golfer to play in The Open Golf Championship, which he did at Muirfield in 1959.

Our thoughts and prayers are with his wife, Jean and his family of 3 daughters, 10 grandchildren and 7 greatgrandchildren at this time.

A private family funeral will be held, and in lieu of flowers, it is requested that if desired, donations be made to Mothers' Choice

Yours sincerely,

Stewart Saunders  
Chieftain  
Hong Kong St Andrew's Society
